Session Start: Fri Dec 15 18:00:00 2017

Session Ident: #darksydephil

[19:04] <darksydephil> you can't time someone out for 3 hours from what you know of twitch chat FYI

[19:05] <lightkun1988> @DarksydePhil which char will you try today?

[19:16] <darksydephil> i dunno, the control scheme is very odd lol

[19:18] <kekon3> make sure it's set to classic

[19:18] <darksydephil> oh shit, you can change it? lol

[19:18] <kekon3> that's just standard 6 button fighter then, if not then you input specials like command normals

[19:18] <kekon3> it's weird

[19:19] <darksydephil> where is this classic option?

[19:19] <kekon3> when you're setting your color/Gougi there's also Classic or Progressive

[19:19] <kekon3> progressive is Simple mode

[19:19] <darksydephil> how do you do training mode with classic?

[19:20] <darksydephil> oh there it is lol

[19:20] <lightkun1988> it's on the char select screen

[19:20] <darksydephil> holy fuck i was wondering how they changed it so oddly

[19:20] <kekon3> ye, odd af

[19:20] <majinboo3> i wonder if this game will play like street fighter EX?

[19:20] <kekon3> I think you'd like Garuda/Darun btw

[19:20] <lightkun1988> only the throws are a little off iirc

[19:21] <suckasurprise> Hey all

[19:22] <kekon3> Kairi is just Not Ryu, Allen is Not Ken, Garuda is your other mid range character, and Skull-o-mania is your high flyer

[19:22] <kekon3> Darun is literally Zangief

[19:22] <darksydephil> damn i wish Darun's throws were better, i could see some sick ass setups

[19:22] <darksydephil> he was better in EX lol

[19:23] <kekon3> yeah, they took out a bunch of moves oddly, Darun don't got his "G.O.D."

[19:23] <bentboxer> just came back from watching the last jedi... IT STUNK

[19:23] <kekon3> really @bentboxer I thought it was awesome

[19:23] <darksydephil> holy fuck!

[19:23] <bentboxer> what did you like about it

[19:23] <bentboxer> kekon3

[19:23] <darksydephil> darun's SPD range is insane with light attacks hahahaha

[19:24] <suckasurprise> I haven't played this game yet but I've heard some people say the EX series was super garbage and some people say it was awesome so I'm not really sure what to expect

[19:24] <kekon3> @bentboxer visuals, direction, tone, character driving, to put it simply

[19:24] <bentboxer> ah well glad you enjoyed it

[19:24] <kekon3> oh, were those the things you didn't like BibleThump

[19:25] <kekon3> EX series had some really fun ideas that I think they never got to go all in on, and some really odd engine quirks

[19:25] <bentboxer> everything i dislike is spoilery so im not going to say

[19:25] <kekon3> oh, well I thought all the spoilery stuff was neat, I know exactly why people are upset but thinking about it, it kinda excites me

[19:27] <kekon3> what sold the movie visually was that one shot in space near the 3rd, the moment when the movie goes silent. I think you should know which moment I'm talking about

[19:27] <leonaras> Hi fullhands asmoHug

[19:27] <kekon3> like, hella beautiful and striking in a way movies don't get to be without burning money

[19:28] <jannedaarc135> !nagito

[19:28] <nightbot> #HopeSeedPhil #NudeForNagito

[19:28] <darksydephil> Kairi seems damn good

[19:28] <darksydephil> midair cancels and air super combos

[19:28] <jannedaarc135> Yesss, I am in time  
[19:29] <kekon3> he's a good ryu, cHP is a good anti air, his fireball is annoying. good speed. benefits off p much all the gougi  
[19:29] <thatanonyraccoon> !nagito  
[19:29] <nightbot> #HopeSeedPhil #NudeForNagito  
[19:29] <kekon3> Lemme just let you know rn, @DarksydePhil what I meant by a growing meta was that the tier list for Gougi got figured out like day 2  
[19:30] <jannedaarc135> #NudeForNagito  
[19:30] <kekon3> that and people learned your hitstun is increased in the skid of a dash. so links are easier if you do forward forward beforehand  
[19:31] <thatanonyraccoon> yeah, what kekon said  
[19:31] <thatanonyraccoon> forward forward  
[19:32] <darksydephil> yeah i have no idea wtf these gougi are  
[19:32] <kekon3> think oif them like the SFxT gems but uhh, not as annoying to manage  
[19:33] <kekon3> they're more like CvS grooves tbh  
[19:34] <darksydephil> wow  
[19:34] <darksydephil> I named a video "Amaterasu Drops the Bomb" and it got demonetized  
[19:34] <darksydephil> the algorithm is like, coded by a 5 year old  
[19:35] <kekon3> lmao  
[19:36] <kekon3> but yeah @suckasurprise EX and Fighting layer games were hella fun for one reason, you can cancel supers into other supers  
[19:36] <jannedaarc135> Damn, it sucks I missed Okami HD stream today :(  
[19:36] <darksydephil> yeh you can cancel a special into a super and sometimes into another super, its dope  
[19:36] <darksydephil> blanka was insanely OP because of it  
[19:36] <thatanonyraccoon> yes @JanneDaArc135 a thrill ride for the ages

[19:39] <jannedaarc135> LOL  
[19:39] <jannedaarc135> I tried to give myself a timeout :p  
[19:39] <darksydephil> okay lets get this started, this should be fun  
[19:39] <kozatof> Timeouts should be 300 seconds not 12000  
[19:40] <kozatof> @darksydephil are you playing pubg on this stream? Or something after  
[19:40] <kekon3> It was me, thought you were being p rude to leonaras tbh

[21:07] <i\_came\_here\_to\_something> @KushiYakitori Well, right now he's not showing that much more than Kekon did. He might've gotten a lot of those from playing low-level players

[21:08] <i\_came\_here\_to\_something> @KushiYakitori Yeah, he's showing that now. Seems his relies on pressuring into a corner.  
[21:08] <skooma\_dealer> its REM

[21:08] <dweebenheimer20> Phil, those unblockables are guard breaks  
[21:08] <kushiyakitori> @I\_Came\_Here\_To\_Something yeah since its a beta I'm guessing a lot of players aren't ready for that pressure

[21:08] <kingofhypocrisy> Bugged Net Code Mechanics  
[21:08] <dweebenheimer20> fom Gougi  
[21:08] <skooma\_dealer> I love foreign ones esp

[21:10] <neospartanhesperos9> I want Chris, Leon, and Jacob to have a tea party and talk about politics TPFufun  
[21:10] <kekon3> you're watching someone literally decide to make sure phil doesn't have a good time, thats  
what his setup is  
[21:10] <skooma\_dealer> @howlingwolfjoey <3  
[21:10] <bethefueg> what have i missed?

[21:10] <skooma\_dealer> you missed phil not acting normal tonight  
[21:10] <bethefueg> ???  
[21:10] <rosshardie> As I said, Darun sucks vs Allen unless you have armor activated  
[21:10] <kushiyakitori> @I\_Came\_Here\_To\_Something thats fair, he did start seemingly playing differently  
after he lost that first round  
[21:10] <bethefueg> oh i see now lol  
[21:10] <4inchfil> Phil's sinuses seem pretty good tonight  
[21:10] <cinochino> Salt flowing  
[21:10] <eplegutten> @Skooma\_Dealer : why do my skin on my lips sometimes turn dark blue ?

[21:11] <kekon3> he's smart at least  
[21:11] <lightkun1988> This guy is seriously good :O  
[21:11] <skooma\_dealer> means you need warming up  
[21:11] <eplegutten> wtf is skooma ?  
[21:11] <kekon3> he's making sure to not trip Phil too often so that phil's super armor doesn't proc  
[21:11] <tacofister> forsenOMEGA  
[21:11] <eplegutten> lol  
[21:11] <skooma\_dealer> lips turning blue means you are very cold  
[21:11] <kozatof> Maid?  
[21:11] <obeychuy89> rekt  
[21:11] <skooma\_dealer> or lack of oxygen

[21:11] <dweebenheimer20> its guard break  
[21:11] <i\_came\_here\_to\_something> @KushiYakitori A lot of the higher-skilled players seem to tend to do that seems. Basically a way of sandbagging but not really.  
[21:11] <wampaone1> Man these people are weak. I'm being told Phil owes money to a hooker. oooooook....how would you even come to that conclusion?  
[21:11] <awildkirby> lol  
[21:11] <marblestherabbit> "nothing I could do"  
[21:12] <tacofister> BabyRage never my fault always the game  
[21:12] <eplegutten> damn, its cold in Norway  
[21:12] <kozatof> @skooma\_dealer does your maid have red hair  
[21:12] <kingofhypocrisy> TERRIBLE  
[21:12] <neospartanhesperos9> Allen looks dumb.  
[21:12] <kekon3> no phil, with his Gougi, it was actually an unblockable  
[21:12] <manyperegrine81> Here comes the lag  
[21:12] <i\_came\_here\_to\_something> these teabags were awesome doe  
[21:12] <rosshardie> This player isnt good, he's just relying on hades and chain combos. And an 8-2 matchup  
[21:12] <darkness\_scorpion> online scrub!  
[21:12] <skooma\_dealer> My maid wears a red wig but she has blonde hair naturally  
[21:12] <skooma\_dealer> she likes to switch it up  
[21:12] <kushiyakitori> @I\_Came\_Here\_To\_Something any idea why? not super familiar with fighting games. testing opponent fighting style or just to screw around?  
[21:12] <tehpwncake> Get a woman to get you warm during the cold, even if you have to pay  
[21:12] <bethefueg> this is that SF clone type game right?  
[21:12] <kingofhypocrisy> @Elite878 Are you out in the Arctic like Vidar?  
[21:12] <pray4rock> Those were unblockable  
[21:12] <manyperegrine81> I definitely agree  
[21:12] <obeychuy89> im already blocking  
[21:12] <kozatof> Is she from nether of lands area?  
[21:12] <kekon3> with the right gougi your overhead becomes an unblockable  
[21:12] <vcs77> his gougi makes his overhead unblockable  
[21:12] <skooma\_dealer> She is from that area around there  
[21:12] <dweebenheimer20> @BeTheFueg Street fighter EX  
[21:12] <eplegutten> I am in Norway, but its close as fk right now  
[21:13] <eplegutten> cold\*  
[21:13] <skooma\_dealer> get warm dood!  
[21:13] <eplegutten> lol  
[21:13] <skooma\_dealer> you have a fireplace?  
[21:13] <kekon3> the fucked up thing about miracle is that p much all the gougi proc at the same time  
[21:13] <eplegutten> only jews  
[21:13] <blk\_mage\_ctype> @DarksydePhil Well, I'm off too bed. Goodnight, Phil. Goodnight, everybody.  
[21:13] <dweebenheimer20> MY unicorn!  
[21:13] <skooma\_dealer> goodnight dood  
[21:13] <neospartanhesperos9> Phil's character is huge.  
[21:13] <kozatof> @skooma\_dealer I used to date a girl named keanna  
[21:13] <eplegutten> sorry was just joking  
[21:13] <kingofhypocrisy> @Eplegutten You and Vidar should start the Norweigen DSP Fan Club  
[21:13] <skooma\_dealer> @kozatof what was she like  
[21:13] <eplegutten> haha why?  
[21:14] <i\_came\_here\_to\_something> @KushiYakitori Can be both. If they know their opponent's good but don't know their plan, or are just cautious, they'll just do some stuff to test their answers to it. If they 100% sandbag at first but get serious later, they just played dummy to see what the opponent would do (if they know combos or setups, etc.).

[21:14] <kozatof> She was shy, made a weird nose. But she meant well  
[21:14] <kingofhypocrisy> why not? Kappa  
[21:14] <eplegutten> lol  
[21:14] <kozatof> She truly cared about me @skooma\_dealer  
[21:14] <skooma\_dealer> awwww  
[21:14] <skooma\_dealer> did she leave you  
[21:14] <kozatof> Then she left me  
[21:14] <skooma\_dealer> oh no!  
[21:14] <skooma\_dealer> what happened?  
[21:14] <kushiyakitori> @I\_Came\_Here\_To\_Something interesting. thanks for the info :)  
[21:14] <kingofhypocrisy> she left me for the man in the pickle suit  
[21:14] <skooma\_dealer> DAMN FUCKING PICKLE  
[21:15] <kozatof> Yeah we were at the hospital, and I really just didn't care about it  
[21:15] <eplegutten> shit pickle?  
[21:15] <kozatof> I wanted to leave  
[21:15] <skooma\_dealer> oh shit

[21:15] <skooma\_dealer> yo girls get really sensitive about health matters  
[21:15] <kozatof> I did  
[21:15] <eplegutten> omg  
[21:15] <stratman1909> didnt someone attack chris chan dressed as a pickle  
[21:15] <i\_came\_here\_to\_something> @KushiYakitori No prob man; I like watching fighting game stuff a lot and play 3S so you kind of learn that kind of stuff over time  
[21:15] <neospartanhesperos9> Kozatol  
[21:15] <eplegutten> its the indian tech scammer starting a fighting career  
[21:15] <aintnosunshinemma> looks like zangief  
[21:15] <neospartanhesperos9> you sound like a bitch  
[21:15] <neospartanhesperos9> TPFufun  
[21:15] <skooma\_dealer> I would do rails off of a hookers ass  
[21:16] <kozatof> @neospartanhesperos9 huh  
[21:16] <ichirinkumoi> @StratMan1909 who's chris chan  
[21:16] <aintnosunshinemma> We got 4 inches of snow today  
[21:16] <kushiyakitori> @I\_Came\_Here\_To\_Something cool. i dont play fighting games but just check them out once in a while or watch some tournaments so i don't know too much  
[21:16] <howlingwolfjoey> neo!!! :) \*slaps @NeoSpartanHesperos9 with a trout\*  
[21:16] <kozatof> Everyone's having good time @neospartanhesperos9  
[21:16] <dweebenheimer20> what killed him, air? lol  
[21:16] <eplegutten> indian mike hagger from final fight

[21:16] <hicredd> @kozatof please don't tell me you let them bark for you  
[21:16] <kiinos> this game looks mad fun  
[21:16] <skooma\_dealer> i got so depressed one night i ate 3 pounds of meatballs and begged a woman to be my gf  
[21:17] <neospartanhesperos9> I agree, we are having a good time.  
[21:17] <aintnosunshinemma> Four inches of snow is a lot  
[21:17] <i\_came\_here\_to\_something> @KushiYakitori That's cool. You still prob know a lot more about them than most.  
[21:17] <kinggoken> lol how hasn't this game been shut down by capcom yet  
[21:17] <neospartanhesperos9> I'm just saying though  
[21:17] <eplegutten> let me just say im glad someone are copying capcom  
[21:17] <kozatof> @neospartanhesperos9 I'll be honest there was a girl I used to know with the name keanna

[21:18] <kozatof> True and honest

[21:18] <kushiyakitori> @I\_Came\_Here\_To\_Something maybe lol. still always nice to learn something new about these things

[21:18] <skooma\_dealer> how dare you question someone with a crown

[21:18] <kozatof> Keanna Wu

[21:18] <skooma\_dealer> go sit down somewhere

[21:18] <neospartanhesperos9> @kozatof what about the hospital part?

[21:18] <skooma\_dealer> people dont go to a hospital

[21:18] <skooma\_dealer> LOL

[21:18] <rosshardie> @kinggoken because Arika owns all these characters. 2D fighting gameplay moves such as DPs and fireballs are not exclusive to Capcom, just the names SRK and Hadoken

[21:18] <eplegutten> the evil within 2 is art

[21:18] <skooma\_dealer> "ok"

[21:18] <kozatof> @neospartanhesperos9 she had a cyst, but it turned out to be malignant

[21:18] <eplegutten> slow motion headshot

[21:18] <skooma\_dealer> people have no money they are spending it on family

[21:19] <aintnosunshinemma> Four inches of snow is just the Tip of the iceberg

[21:19] <drilbit777> Would be nice if capcom and Akira collaborated to make SF EX4

[21:19] <manyperegrine81> Great stream phil.

[21:19] <skooma\_dealer> Im gonna treat myself to some trim

[21:19] <neospartanhesperos9> @kozatof and you said you didn't care to be there?

[21:19] <kozatof> Oh wait

[21:19] <ug6live> go Phil!

[21:19] <drilbit777> Or at least allow Akira characters in SFV

[21:19] <kozatof> @neospartanhesperos9 I meant benign

[21:19] <marblestherabbit> The connection is good

[21:20] <aintnosunshinemma> A Mario dlc for Street Fighter would be nice

[21:20] <kozatof> @neospartanhesperos9 I told her that she was overreacting. In a caring way as possible but she still wanted to go

[21:20] <dweebenheimer20> @Drilbit777 F dat, capcom sucks now LUL

[21:20] <rosshardie> @drilbit777 yeah it would be nice, but not going to happen, Arika and Capcom havenâ€™t worked together since 2001 (EX 3)

[21:20] <i\_came\_here\_to\_something> @KushiYakitori True. Sites like Shoryuken and Eventhubs should have good articles explaining concepts if you're interested in learning more. Sajam does commentary and he explains a lot of stuff really well in his streams, he's analyzing Capcom Cup over the next few days it's worth a peep.

[21:20] <skooma\_dealer> If you beg a woman to be your gf thats not sad is it?

[21:20] <kozatof> So I went along with it because it was the right thing to do

[21:20] <skooma\_dealer> im getting to the point of begging my ex to come back

[21:20] <skooma\_dealer> tfw single

[21:20] <xpj627x> LUL

[21:20] <tehpwncake> Talking of GF, I'll go check on my gf Kimberly. Forgot something important

[21:20] <dweebenheimer20> sniff dat booty

[21:21] <aintnosunshinemma> I once paid \$100 for a Happy Massage

[21:21] <skooma\_dealer> oh shit you got a happy ending?

[21:32] <neospartanhesperos9> @FlyEaglesFly01 They could win CL again. They could still turn around LaLiga no doubt, but I don't know if they'll focus on it.

[21:34] <neospartanhesperos9> @FlyEaglesFly01 Yes, it's a big club like FcB and you must win everything, however they could hit a third CL title in a row. Seems like they just hype themselves for CL and don't try as hard in LaLiga imo.

[21:43] <neospartanhesperos9> @FlyEaglesFly01 tbh, Neymar leaving was the best thing ever. It seemed bad at first because of the adjusting they had to do, but he doesn't seem like Barca material. Too much bitching and diving, too much scrappy fighting

[21:44] <flyeaglesfly01> @NeoSpartanHesperos9 I would agree with that. Still a great player but all about him. I do think you are missing him a bit atm but if Ousmane can play how he can youse will be sorted there  
[21:44] <4inchfil> 100 kroner for some strussel? That's steep
